

CONFERENCE FACILITIES, SERVICES & SPECIAL EVENTS

Please wear your badge for admission to all conference events and programs. It also helps us recognize the people we know best from emails and phone calls!

All Conference Dessert Reception

Please join us for this perennial favorite. Sponsored by Innovative Interfaces, the reception will be held on Monday night from 8:00 pm to 10:00 pm at Omni Shoreham's Regency Ballroom. This is a great time to mingle with Innovative staff and your fellow conference attendees. You might want to grab a light dinner first, and leave plenty of room for the tempting desserts and drinks. And remember, because of a geographic oddity, desserts consumed in Washington, DC do not go to the waistline.

All Conference Lunch **NEW For 2008!**

The all-conference luncheon is on Tuesday, April 29. In past years, the all-conference lunch has been a sit down affair with a short program. This year we are going to do something a bit different. We are planning boxed lunches this time, which gives attendees the ability to attend forums, mingle with other attendees, or just take a few quiet minutes enjoying the grounds of the Omni Shoreham. Lunches will be set out in the Regency Ballroom. Everyone can come in, grab the lunch of their choice, and either stay in the ballroom to eat with friends or meet some new people. The Exhibit Hall will be open and tables will be available so you can eat lunch there and spend time in the exhibits. Or, you can grab a lunch and head to one of the forums and eat there. If the weather is nice, grab a lunch and head outside.

Birds of a Feather (BOF) Sessions

Don't see a program on a topic of interest? Want to continue a discussion started in a session, or perhaps on the IUG discussion list? Organize your own meeting by setting up a BOF session. Sign up sheets are available at the registration desk bulletin board and on the IUG website. Three rooms at the Omni (Cabinet, Calvert and Senate) have been set aside for BOF meetings, but you can always combine your meeting with a trip to a local restaurant. Remember to call ahead for reservations if you have a large group!

Book Swap

Looking for something good to read, but don't have time to get to a book store? Already finished what you started reading on the plane? Pick up a new title, or drop off an old one at the Book Swap table in the Omni Shoreham Hotel, graciously stocked by the Local Arrangements Committee and area libraries.

Email/Internet Rooms

A day without email is...JUST AWFUL!!! OK, you can view your email, cool websites, or just about anything in the Email & Internet Rooms. Sponsored by Envisionware, the Internet room is in the Exhibit Hall. Please be sure to wear your badge to gain access and limit your sessions to 15 minutes if others are waiting.

Job Placement

Notebooks with job listings will be available in the Council Room. Check the listings and arrange to meet a prospective employee or employer. You can also check the jobs blog at www.innovativeusers.org/jobs/.

Poster Sessions

Meet the poster session presenters on Monday from 11:00am to 11:45am. Poster sessions will be on display in the Exhibit Hall (next to the vendor exhibits). Be Innovative! Award winners are featured, along with many other creative ideas from your IUG colleagues. These will be available to view through Wednesday.

Vendor Exhibits

Join the vendors who have accepted our invitation to exhibit at the IUG conference. Browse through an interesting array of vendor products and services, as well product demonstrations in the Exhibit Hall. You will also have an opportunity to chat with the exhibitors at the All Conference Reception on Monday.

Innovative Interfaces' Information Center **New for 2008!**

At IUG 2008, Customer Services and Implementation Services are combining their efforts to present a new approach to our presence at IUG. The focus this year is on helping customers use our existing resources for service needs. We'll be offering CSDirect kiosks and staffing them to help customers review the wealth of content that they can use to answer their questions.

Library Service Live! **New for 2008!**

We're introducing a totally new presentation venue called "Library Service Live!" where we will be conducting short (10-15 minute) presentations that highlight specific tips, tricks, and resources in a quick, actionable way. They'll provide material to help libraries better understand existing features and support resources, as well as learn solutions to common setup and workflow challenges. We welcome your feedback on this new event!
