Additional Attendee Information

Number of Conferences attended
This is my first IUG Conference

Library Type
Academic

ILS System
Sierra

Are you a Kline/PIAC scholarship winner?
Yes
No

Hotel Check-in Date

Hotel Check-out Date

Number of Beds

I am sharing my room with:

Do you require vision, hearing or mobility assistance?
Yes
No

Assistance needed - you will be contacted by the conference manager
Mobility
Vision/Hearing

I give permission to be contacted by exhibiting vendors prior to the conference.
Yes
No

Has your information changed in the last year?
Yes
No

Describe what has changed - institution, address, e-mail address, etc.

Which track(s) pertain most closely to your job duties? Select all that apply.

Enter Registration Code if Known: [ ]

**One Day Only Registration**

- **Monday, May 6, 2019 ONLY**
  - On or before Mar 15, 2019: $200.00
  - On or before Apr 15, 2019: $225.00
  - After Apr 15, 2019: $250.00

- **Tuesday, May 7, 2019 ONLY**
  - On or before Mar 15, 2019: $250.00
  - On or before Apr 15, 2019: $275.00
  - After Apr 15, 2019: $300.00

- **Wednesday, May 8, 2019 ONLY**
  - On or before Mar 15, 2019: $100.00
  - On or before Apr 15, 2019: $125.00
  - After Apr 15, 2019: $150.00

**Main Conference Registration includes the All Conference Lunch on Tuesday, May 7, 2019. Do you have specific dietary requirements or food allergies?**

- I have no dietary restrictions.
- Specific food allergies 🌟 You will be contacted by the IUG Conference Manager to ensure your meal meets your requirements.
  - Vegetarian 🌟
  - Vegan 🌟
  - Halal 🌟
  - Kosher 🌟
  - Dairy Free 🌟
  - Gluten Free 🌟
  - Gluten and Dairy free 🌟

---

**Optional pre-conference sessions on Sunday, May 5, 2019 - additional fee required**

Morning Pre-conference Sessions

A1 - Public Library Consortia Meeting (Sunday, May 5, 2019, 9:00AM - 12:00PM)  $65.00
Presented by Innovative staff Join your colleagues and Innovative staff for a half-day pre-conference focused on the unique needs and experiences of Public Library Consortia. Open to public consortia and member libraries using Polaris, Sierra, Millennium, or Virtua platforms, we encourage participation from all Innovative systems. The program offers both plenary sessions and break-out sessions, with presentations led by either Innovative staff or our partners from consortia systems and their member institutions. Continental breakfast is included.

A2 - Cataloging Essentials Mini-Bootcamp for all Libraries (Sunday, May 5, 2019, 9:30AM - 12:00PM)  $65.00
Presented by Martha Rice Sanders. Catalogers ‘speak’ 5 languages at once when describing works in their collections—the catalog code (currently RDA), MARC (for encoding), ISBD (also for encoding), and one or more subject and classification schemes. This mini-bootcamp provides a framework for understanding these ‘languages’ by discussing the essential elements of bibliographic description, encoding, subject vocabularies, and classification vocabularies, and how they interweave to create bibliographic records.

A3 - Best Practices in Reporting for Sierra Libraries (Sunday, May 5, 2019, 9:30AM - 12:00PM)  $65.00
Presented by Innovative staff There are many reporting tools available to Sierra and Millennium libraries. This session will review best practices regarding which tools to use for which types of reports, tips for generating reports to ensure efficient work and accurate numbers, how to manage / schedule reports you need on a recurring basis (e.g. monthly, weekly), and how to interpret reports for data-driven decisions. Intended for libraries of any type and size using any combination of Web Management Reports, Statistics, Create Lists, Decision Center, and SQL Views. This is a presentation style seminar (not hands on), so come prepared to take notes and leave with specific things to try at home.

Afternoon Pre-conference Sessions

B1 - Metadata Essentials Mini-Bootcamp for all Libraries (Sunday, May 5, 2019, 1:30PM - 4:00PM)  $65.00
Presented by Martha Rice Sanders Prepare for the challenges that lie ahead as we plan the transition away from MARC to native linked data workflows. With increasing needs for our metadata, available with Linked Data, libraries are developing more modern carriers to store metadata in 21st century frameworks. This mini-bootcamp will help lay a foundation for preparing libraries for the challenges that lie ahead as we transition away from MARC records and their workflows by surveying the journey to RDA and BIBFRAME.

B2 - Best Practices in Reporting for Polaris Libraries (Sunday, May 5, 2019, 1:30PM - 4:00PM)  $65.00
Presented by Innovative staff There are many reporting tools available to Polaris libraries. This session will review best practices regarding which tools to use for which types of reports, tips for generating reports to ensure efficient work and accurate numbers, how to manage / schedule reports you need on a recurring basis (e.g. monthly, weekly), and how to interpret reports for data-driven decisions. Intended for libraries of any type and size using any combination of Simply Reports, SQL Queries, and basic Polaris reporting. This is a presentation style seminar (not hands on), so come prepared to take notes and leave with specific things to try at home.

B3 - How to SQL (Sierra) (Sunday, May 5, 2019, 1:30PM - 4:00PM)  $65.00
Presented by:Phil Shirley, Cuyahoga Falls Library; Jeremy Goldstein, Minuteman Library Network; and Ray Voelker, The Public Library of Cincinnati and Hamilton County Take your reporting skills to the next level with SQL and the Sierra DNA. We’ll talk about how to get set up and logged into pgAdmin, then we’ll talk about the views and how to find the data you want, as well as how to create queries. We’ll help you understand the basics as well as things like joins and subqueries, and we’ll talk about reports that require special strategies.

All Day Pre-conference Session

Presented by Innovative staff Calling all librarians, software

https://www.xodsystm.com/lug/admin/attendees/managerfields/index.cfm
Innovative Users Group

C1 - API Hackathon (Sunday, May 5, 2019, 9:00AM - 4:00PM) $65.00

Developers, designers, and makers - join us for the fourth annual IUG Hackathon! This all-day event brings together multi-disciplinary teams to develop real solutions for libraries using Sierra APIs or Polaris APIs. We encourage working together in groups of 2-3, including at least one developer with skills to create software using RESTful APIs, so you can build a working feature to show off for your fellow hackers and all Innovative libraries at the end of the conference. Each team must bring a laptop computer pre-loaded with a development environment ready to interact with either the Sierra APIs or Polaris APIs. Lunch, power, and internet will be provided.

Optional ILUG Breakfast, Tuesday, May 7, 2019, 7:30AM - 8:30AM

$30.00

Optional Public Library Lunch

Join colleagues from public libraries around the country for a great lunch served while you enjoy the time networking with those at your table. The program will include a speaker from Innovative while also allowing opportunity for discussion.

Public Library Lunch - Wednesday, May 8, 12:00PM - 1:15PM, Regular meal $50.00

Public Library Lunch - Wednesday, May 8, 12:00PM - 1:15PM, Vegetarian meal $50.00

Public Library Lunch - Wednesday, May 8, 12:00PM - 1:15PM, Gluten Free meal $50.00
