Request to Link Patron Records**

I agree to link my Fauquier County Public Library (FCPL) patron record to those belonging to the person(s) listed below. In so doing, I agree to allow access to any information regarding materials I have checked out, placed on hold, and any fines/fees related to those materials to those linked to my patron record. I understand that if a patron record linked to my record is blocked for any reason, my patron record will also be blocked. I understand that I must present either a FCPL card or photo identification with current address to access my patron record or any record linked to mine. If any change to the linked records should occur or I wish to no longer be linked to the records listed below, I understand that it is my responsibility to contact the Fauquier County Public Library in writing of my desire to do so.

Below please provide us with your name, relationship, phone number and library card number, along with those of the individuals you would like linked to your library card.
