Fax: (503) 645-2072

<http://www.veicon.com>[stewb@veicon.com](mailto:stewb@veicon.com)

Stewart Bartlett

Veicon offers the proven "V-link" solution for the library. Our patented, thin client based product is an integrated public access solution (IPAS) for patrons to access Catalog, Databases, Email, Internet and Office applications with dynamic flexibility. Using "V-link" a library also has the choice to use various content filtering, session timers, print queue management, usage reporting, and wireless access. The simplicity of "V-link" for public access will enable a library to better stretch its budget \$'s while lowering staff intervention.
